

Section B - Tuition Setting

6. Indicate which of the following statements describes how undergraduate nonresident (out of state) tuition is set in your state (please check all that apply).

State	Tuition is set at a mandated percentage of the cost of undergraduate instruction. The percentage is ___ %	%	Tuition is indexed to the undergraduate resident tuition (e.g., 2 times the resident tuition rate). The percentage is ___ %	%	No formal policy exists on nonresident tuition setting	Other
Alabama			X	200+		
Alaska						
Arizona					X	No formal policy, but it has been practice to set NR tuition at/near 100 percent of the cost of education (as defined for tuition setting purposes).
Arkansas						Arkansas Higher Education Coordinating Board establishes guidelines based on the percentage of cost of education, HEPI and other factors, but institutional boards establish the specific policies.
California						
Colorado						
Connecticut			X			See attachment on differentiation.
Delaware					X	
Florida	X	100				(For community colleges.)
Georgia			X	400		
Hawaii					X	
Idaho					X	
Illinois						Illinois Board of Higher Education policy states that tuition rates for nonresident students should approximate instructional cost.
Indiana					X	
Iowa					X	Responses for Board of Regents only. Board policy is to make nonresidents pay full cost of instruction.
Kansas					X	
Kentucky						Consistent with the tuition-setting guidelines, undergraduate rates for nonresident students must be higher than resident undergraduates.
Louisiana						SREB average for categorical peers.
Maine					X	
Maryland	X	100				
Massachusetts	X	100				
Michigan						
Minnesota -- UM					X	
Minnesota -- MnSCU						Pilot programs currently allow waiving non-resident rates for a number of MnSCU colleges and universities.

State	Tuition is set at a mandated percentage of the cost of undergraduate instruction. The percentage is ___ %	%	Tuition is indexed to the undergraduate resident tuition (e.g., 2 times the resident tuition rate). The percentage is ___ %	%	No formal policy exists on nonresident tuition setting	Other
Mississippi						Mississippi state statute places a minimum level for the Nonresident surcharge. It must be no lower than the average State appropriations per Student FTE level.
Missouri			X	200		
Montana						
Nebraska					X	
Nevada						120 percent of the WICHE median for nonresident tuition.
New Hampshire						By Board policy, nonresident tuition must cover the direct costs of education.
New Jersey					X	
New Mexico			X	Varies at each institution		
New York					X	
North Carolina						Tuition for nonresident students may be no lower than 125 percent of tuition for resident students. Policy available at http://www.northcarolina.edu/egal/policymanual/1000.15[g].pdf . In practice, it is generally MUCH higher than in-state tuition.
North Dakota	X		X	267		
Ohio					X	
Oklahoma						Per credit hour
Oregon						
Pennsylvania			X	150-250		Must be 250 percent, unless there is an approved institutional plan to charge less that shows it will increase enrollment beyond a breakeven point and that the university has excess capacity to handle the enrollment increase.
Puerto Rico						
Rhode Island	X	100				
South Carolina			X	250		
South Dakota					X	
Tennessee					X	
Texas						Average of nonresident tuition in five largest states.
Utah	X		X	350		The 350 target varies slightly by institution.
Vermont -- UVM					X	
Vermont -- VSC						Not sure.
Virginia						Nonresident tuition is required to be at least 100 percent of the average cost of education (not limited to instruction).
Washington					X	

State	Tuition is set at a mandated percentage of the cost of undergraduate instruction. The percentage is ___ %	%	Tuition is indexed to the undergraduate resident tuition (e.g., 2 times the resident tuition rate). The percentage is ___ %	%	No formal policy exists on nonresident tuition setting	Other
West Virginia	X	100				
Wisconsin						Nonresident tuition is usually set at the same percentage increase as resident tuition however a percentage or two may be added to reduce rates for residents or address additional funding requirements.
Wyoming			2	300		
TOTALS	7		11		17
